

MCAT – Medical College Admission Test

This guide is intended to summarize key information about the test. Students MUST consult the website provided for more detailed instructions and information.

Section	Questions	# Minutes	Score	Topics Covered
Physical Sciences	52	70	1-15	General chemistry, physics
Verbal Reasoning	40	60	1-15	See Below
Writing Sample	2 essays	60	J-T	See Below
Biological Sciences	52	70	1-15	Biology, organic chemistry

- Required by most allopathic and osteopathic medical schools as well as all podiatry schools
- Computerized exam offered between January and September every year. *Students are encouraged to sign-up early to have the best chances at their preferred test date and location.*
- \$240 fee covers the cost of sending scores to all application services and professional schools
- Physical Sciences, Verbal Reasoning, and Biological Sciences all have 7 reading passages followed by 4-7 multiple choice questions per passage.
- Verbal Reasoning passages are taken from the humanities, social sciences, and natural sciences. This section assesses your ability to understand, evaluate, and apply information and arguments.
- Writing Sample addresses topics that require an expository response and assesses skills in: developing a central idea, synthesizing concepts and ideas, presenting ideas cohesively and logically, and writing clearly. Sample essay topics are listed at the URL below.
- NO penalty for guessing
- Test score average of accepted students = 32 (10 VR, 11BS, 11PS)
- Official score reports will be released 30-35 days after the test date
- Examinees may only take the test 3 times a year, may only register for ONE testing session at a time, and must wait until the second day following the first exam to register for another.
- See www.aamc.org/students/mcat/ for more detailed information. Practice tests are also available for purchase and/or free download at this site.
 - MR5: 5th Comprehensive Review of the MCAT information can be found here: www.aamc.org/students/applying/mcat/mcat2015/. The MCAT is expected to change in 2015.

MSU Test Prep Consortium

Mission: The MSU Test Prep Consortium is a collaboration of on-campus units offering resources free of charge to MSU students preparing for national standardized exams (such as graduate and professional school entrance exams).

Participants: Testing Office
LRC – Learning Resource Center
Writing Center
Main Library
ELC – English Language Center
RCPD – Resource Center for Persons with Disabilities
Career Services and Placement
Academic Advisors
